COL. SAM M. SWIGERT ALL O. K.

As we announced last week Col. Samuel M. Swigert and family passed through the terrible ordeal at San Francisco safely. His house was not even damaged.

The Cincinnati papers published Col. Swigert's name among those who were lost, and other papers did the same, notwithstanding the fact that a dispatch had been received here assuring his safety. A second dispatch came on Monday confirming the first.

PACKAGES WHISKY WITH STAMPS HIDDEN MAY BE SEIZED.

The Commissioner of Internal Revenue has decided that packages of distilled spirits which are put in an outside casing to conceal the stamps, so that they can be shipped into local option districts, are rendered liable to seizure by government officers. The U. S. law requires the stamps to be visible at all times. Score one for local option again.

To get rid of the bad breath, the sickening discharge from the nose and throat, the loss of smell and taste, etc., such ingredients as Thymol, Wild Indigo, Oil of Eucalyptus, etc., must be used. Dr. Shoop's Catarrh Cure depends upon such healing agents as these in combination with other antiseptic specifics. These are then incorporated into a soft soothing and healing imported petroleum Jelly secured in Europe. When applied to diseased mucous membranes it acts like magic, clearing up these revolting diseases promptly and with a marked sensation of comfort. Sold by all dealers.

WORK TO COMMENCE VERY SOON.

So soon as the city franchise ordinance of the Frankfort and Versailles Traction Co. has its final passage, work will commence on the building of the road. So says Chief Engineer George McLeod.

"I had a running, itching sore on my leg. Suffered tortures. Doan's Ointment took away the burning and itching instantly, and quickly effected permanent cure." C. W. Lenhart, Bowling Green, O.
